ENG WALL PANELS

Marble design Wall Panels!

Expertly crafted from marble powder and acrylic binders. These panels combine the timeless elegance of marble with modern convenience.

Durable & Versatile: Rigid like ceramic tiles or marble, our PVC panels are perfect for walls and ceilings.

Slim & Lightweight: At just 3.0 millimeters thick and quarter the weight of traditional materials, installation is easier than ever.

Elegant Design & Superior Quality:

Stone Base Panel provides strength and rigidity.

Patterned Foil Layer offers the authentic beauty of natural stone.

UV Coating ensures a polished, easy-to-clean surface.

Protective Film shields the panels during handling and installation, removed after setup for a flawless finish.

Specifications: Dimensions: 4ft wide x 8ft long
